We are happy to introduce the new additions to YBP's leadership team, effective January 2023! Meet our YBP Directors who have been rolling up their sleeves and have been selected to continue driving the efforts and initiatives of YBP's mission and vision. The Directors will work collaboratively across committees and with the E-Board to carry out projects and programs, but also to ensure we continue to grow and advance as a YBP collective. Please congratulate these amazing YBP leaders when you see them - Thank you for all you do!

Cultivating Phresh Talent: Welcome YBP's New Interns!

YBP is excited to introduce a new initiative to continue paying it forward! Our interns will report directly to the Director of Membership for the opportunity to gain experience and exposure that will help them advance their careers. We look forward to helping to cultivate new talent while fostering leadership and development for prospective industry professionals!"
